

# Summer Nature Camp Intern

*Designing, planning, presenting and evaluating awesome summer nature camps*

## About the Internship

The Summer Nature Camp intern is an integral part of the education team, and works with education staff to organize and develop curriculum and to design and present summer camps. The nature camps are designed to be hands-on, exploration-filled days at Imago's urban nature preserve. Each camp is a week-long, day camp (no overnights).

This is a great opportunity if you like working outdoors, or working with youth. For more information about Imago's Summer Camps visit [imagoearth.org/camps](http://imagoearth.org/camps)

## Schedule and Location

The internship is approximately 9 weeks (can be a little more or less depending on the intern's availability). Primarily in June and July. 30-35 hours a week, primarily from 8:30 - 3:30, with some limited flexibility.

The intern will be based at Imago's urban nature preserve and education building.

## Qualifications

1. No previous experience is necessary, but the intern should be self-motivated with an interest in learning about sustainable gardening practices as well as environmental education.
2. Be comfortable teaching and leading children
3. Be comfortable working outdoors in hot, buggy, cold, muddy, and rainy conditions
4. Be willing to undergo a Criminal Background Check.

## Housing

We can assist interns to find inexpensive or free housing in Cincinnati to the best of our ability.

## Compensation

\$150/week stipend.

## About Imago Internships

Imago is a long-standing environmental education organization with an ambitious vision and an exciting mission. Because of our small staff, interns have a real opportunity to have a direct and lasting impact not only on our organization but on the communities that we serve. Not only will your work support Imago, it will provide you with useful skills, contacts and experiences that will serve you in future careers and endeavors.
