Summer Nature Camp Intern

Designing, planning, presenting and evaluating awesome summer nature camps

About Imago Internships

Imago is a long-standing environmental education organization with an ambitious vision and an exciting mission. Because of our small staff, interns have a real opportunity to have a direct and lasting impact not only on our organization but on the communities that we serve. Not only will your work support Imago, but it will also provide you with useful skills, contacts, and experiences that will serve you in future careers and endeavors.

About the Summer Nature Camp Internship

The Summer Nature Camp Intern is an integral part of Imago's education team who assists in designing and running our summer camp programming. Imago’s nature camps are designed to be hands-on, exploration filled days at Imago’s urban nature preserve. Each camp is a week-long day camp with no overnights (*With the exception of Adventure Camp weeks)

This is a great opportunity if you are passionate about creating and implementing meaningful outdoor experiences for youth. For more information about Imago’s Summer Camps, visit Imago Summer Camps.
