

## Summer Camp Scholarship Update

A key component of Imago's values is making sure **all** families that want to connect with nature are able to do so regularly. For this reason, we want to lower barriers to attending camp. As such, we offer an honor system, needs-based scholarship for our camps. We don't ask you for your financial info, we trust that if you are asking that you will need it. The form and the process are simple. To make a scholarship request be sure to check the "I am Interested in a Scholarship for this Camper" box on the registration form for each child you register when signing up for camp.

Because we want to ensure that as many families as possible are able to utilize our scholarship fund, we have a few limits on the scholarships available to each camper. The amount of scholarship assistance available will be tiered based on the number of weeks of camp your child is registered for.

Weeks of Camp	Assistance Percentage Available <i>(you choose out of the available discounts)</i>
1-2 weeks	<input type="checkbox"/> 50% <input type="checkbox"/> 75% <input type="checkbox"/> 90%
3-4 weeks	<input type="checkbox"/> 50% <input type="checkbox"/> 75%
5-6 weeks	<input type="checkbox"/> 50%

The scholarship is applied individually to each camper. Meaning, a camper that attends 3 weeks of camp is eligible for up to 75% scholarship, but another camper in the same family that only attends two weeks of camp is eligible for up to 90%.

Scholarships cannot be applied retroactively. In other words, if you register your child for 3 weeks of camp and receive a 75% scholarship, and then decide that you only do two weeks of camp, you remain only eligible for the 75% scholarship (3 weeks), not the 90% (1-2 weeks).

Conversely, if you register for additional camps for your child, it can change the scholarship amount for all the camps you've registered for. For example, if you initially registered your child for 2 weeks of camp and received a 90% scholarship and then later added a third week of camp for that same camper - your new scholarship amount of either 50% or 75% is now applied to ALL the camps you've registered for.
